POST & PACKAGING CHARGES 28/6/2010

Please Note that it now costs a substantial amount of money to package & post goods. Please email us for an official quote on the goods including any Post & Packaging charges before you post any order to us. Many products like coaxial connectors & magnetic cores are very heavy, & may have to be sent using express post.

For the current Post & Packaging charges Please refer to

http://www.minikits.com.au/order.html

PLEASE PRINT CLEARLY

QTY	ORDER #	DESCRIPTION	PRICE	TOTAL
			SUB TOTAL	
			POSTAGE	
			TOTAL	

PLEASE NOTE: Once Goods have left Mini-Kits by mail they are your responsibility. Mini-Kits will not replace supposedly missing components unless there is a stock level discrepancy. All expensive items are checked twice to ensure that they have been packed.

Mini-Kits *Are Designers / Manufacturers & Suppliers Of A Range Of Hi-Tech Electronic Kits & Components For Radio Experimenters*
